

GRAVESEND GRAMMAR SCHOOL

TEACHER OF GEOGRAPHY

This is an excellent opportunity to join a highly successful and innovative department in an 'Outstanding' School (OFSTED 15). Geography is a popular subject at both GCSE and A level and the Department has a proven track record of achieving excellent results with our students.

We seek:

- A well-qualified Geographer
- Someone who is innovative and flexible
- A colleague who can teach across all Key Stages

We provide:

- Supportive colleagues and excellent continuing professional development
- Excellent opportunities to learn outside the classroom
- The chance to contribute and develop as a practitioner
- Committed students

This post might suit a newly qualified or an experienced practitioner.

The Geography Department is a vibrant place to both teach and learn. We have outstanding examination results, reflecting our commitment to high quality learning and teaching.

View our prospectus on line for an impression of the school and to download an application form. Applications should be made using the School's application form only which can be downloaded from our website.

Closing date: Tuesday, 10th April 2018

For further information please feel free to contact the Subject Leader of Geography – Mr Chris Jesson jessonc@gravesendgrammar.eu

This appointment will be for September 2018.

The School is committed to safeguarding and promoting the welfare of children.
